

# Kenya National Chamber of Commerce & Industry Exporters Booklet

Leveraging AfCFTA to Enhance Export Growth in Africa

# ABOUT KNCCI

The KNCCI's rallying call, "Growing your business together," encapsulates our unwavering commitment to the growth and success of Kenyan businesses in the realms of trade and export. Through our comprehensive support services and strategic initiatives, we aim to empower enterprises at all stages of development, helping them to thrive in the dynamic global marketplace.

We organise trade missions, expos, B2B forums and advocate for favorable business environment to create opportunities for Kenyan enterprises. We also facilitate the issuance of Certificates of Origin, ensuring compliance with international trade standards. The Chamber's rallying call is "Growing your business together," emphasizing our commitment to the growth and success of Kenyan businesses in trade and export.

## **MESSAGE FROM THE CHAMBER PRESIDENT**

"KNCCI is dedicated to strengthening Kenya's position as a premier African trade hub by enhancing infrastructure, fostering innovation, and leveraging AfCFTA. Through collaborations and awareness campaigns, we aim to drive economic diversification and sustainable growth for our members. We also advocate for equitable partnerships, streamline trade operations, and expand market access for African products." Chamber president Dr. Erick Rutto

## **MESSAGE FROM THE CHAMBER VICE-PRESIDENT**

"KNCCI takes pride in advancing Kenya's trade interests on the global stage. We focus on forging strong trade partnerships, expanding market access for Kenyan products, and eliminating barriers to trade. We believe in the potential of Kenyan enterprises to thrive internationally and are dedicated to providing the necessary support, resources, and networks to make this a reality. Together, we can unlock new opportunities, drive economic growth, and secure a prosperous future for the Kenyan private sector through dynamic, innovative, and modern trade initiatives." Mr. Mustafa Ramadan, KNCCI Vice-President

# TEA

## NAIROBI, KENYA

Mara Tea Factory (EPZ) Limited is a privately owned investment run by a board of directors. The investors dream was to stop the random conflict between the resident communities through economic empowerment which would be achieved through growing tea. The community has aggressively taken up tea growing as the company provides tea seedlings at a subsidized cost and extension services to the community for free.

Mara Tea Factory is a high grown Kenya tea producer and stands 2000ft above sea level in Kenya's former Rift Valley province. It is situated in Transmara in Kisii County. This is only one and a half hour away from the world famous Maasai Mara Game Reserve.

## Imperial Teas (EPZ) Limited

### NAIROBI, KENYA

Imperial Teas (EPZ) Limited strives to provide top-quality tea varieties to customers worldwide. Operating within an Export Processing Zone, they focus on producing premium black, green, and specialty teas while upholding strict quality standards. Committed to sustainability and community welfare, the company also engages in social responsibility initiatives.

Imperial Teas aims to maintain its status as leader in the global tea market through excellence and customer satisfaction.

Imperial Teas (EPZ) Limited prioritizes creativity in product development and marketing strategies.

Through innovative approaches, such as crafting unique tea blends and engaging branding campaigns, the company seeks to differentiate itself in the competitive tea market. By staying ahead of consumer trends and offering novel tea experiences, Imperial Teas aims to captivate customers and maintain its position as an industry leader.

## Blu Kik Trading Limited

### NAIROBI, KENYA

Welcome to Blu Kik Trading Limited, a premier supplier of the finest tea and coffee products from across East Africa. With over a decade of experience in the export industry, we pride ourselves on delivering high-quality, sustainably sourced teas and coffees to international markets. Our mission is to bridge the gap between small, ethical producers and global consumers, ensuring a seamless supply chain and a product of unparalleled excellence.

#### Fresh Premium Coffee

With over a decade of experience in the industry, we are committed to delivering the finest and most authentic flavors from the region to global markets.

Our premium organic coffee is not just a beverage—it's an experience. With its perfect blend of flavor, sustainability, and quality, we believe our coffee is poised to resonate strongly with today's discerning coffee consumers.

#### Black CTC Tea

Indulge in the rich and robust flavor of our **Premium Black CTC Tea**, meticulously crafted through the CTC (Crush, Tear, Curl) process to offer an unparalleled tea experience.

Sourced from the finest tea estates, our tea is renowned for its strong and malty taste, making it the perfect companion for both traditional milk tea and a bold standalone brew.

## soin honey

## NAIROBI, KENYA

### Honey Colours, Taste and Aroma

Generally, the type and number of flowers where bees collect nectar from determine honey colour, aroma, taste and nutrient content. Therefore honey colour depends on the vegetation (flowers) of the area where nectar is collected and the forage season. Below is the honey and bee colour palette.

### Benefits of Raw Honey

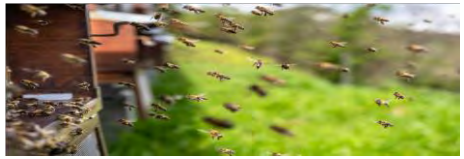

A good source of antioxidants.

Raw honey contains an array of plant chemicals that act as antioxidants.

Phytonutrient powerhouse.

Helps in digestive issues.

Used to soothe a sore throat.

Contains antibacterial and antifungal properties. Heals wounds

For us at NIVEA, skin always comes first. For more than 100 years, we have been researching skin and looking for the best, safest, and most effective skincare formulas. As one of the leading experts in the skincare world with the most advanced skin research centers, we are devoted to humanity and the natural health and beauty of the human skin. Caring for the environment is a logical consequence of our commitment to safe, gentle and effective skincare.

With over 100 years of experience, close to 2,000 scientific studies per year and more than 1,000 NIVEA experts working in research and development alone, we have a deep understanding of skin and its impact on human well-being. In 2018 alone, over 1900 of our own patent technologies were used for your NIVEA products or were used for future developments of NIVEA products worldwide. Never satisfied with mere regulatory compliance, we go above and beyond legal requirements to make sure that even the most sensitive skin feels only the positive, caring touch of NIVEA. Consequently, our list of safety criteria for ingredients and products is far stricter than any regulations.

## BANK OF BARODA

### NAIROBI, KENYA

It has been a long and eventful journey of more than a century, Bank of Baroda in India. The parent Bank has International presence in 94 overseas offices spanning 17 countries. Starting in 1908 from a small building in Baroda to its new hi-rise and hi-tech Baroda Corporate Centre in Mumbai, is a saga of vision, enterprise, financial prudence and corporate governance. It is a story scripted in corporate wisdom and social pride. It is a story crafted in private capital, princely patronage and state ownership. It is a story of ordinary bankers and their extraordinary contribution in the ascent of Bank of Baroda to the formidable heights of corporate glory.

## **Kitsilano Technologies Limited**

### **NAIROBI, KENYA**

Kitsilano Technologies (Kitstek) helps businesses tackle common IT challenges, including outdated infrastructure, security vulnerabilities, power fluctuations, rising costs, and complex maintenance needs. By partnering with industry leaders like AWS, SAP, DataDog and Fortinet, we deliver secure, scalable, and innovative solutions tailored to your needs.

For institutions that already have a large cloud estate we provide a cloud-based monitoring and analytics platform that provides real-time visibility into the performance of applications, infrastructure, and services. It helps businesses track and optimize their systems through metrics, logs, and traces, enabling faster troubleshooting and better decision-making. A unified platform enables businesses to quickly identify performance issues, reduce downtime, and enhance operational efficiency by providing actionable insights and real-time alerts. This approach allows all teams—whether DevOps, DevSecOps, or Infrastructure—to collaborate seamlessly with a single, consolidated dashboard, rather than relying on separate tools for each team.

## AMCCO Properties

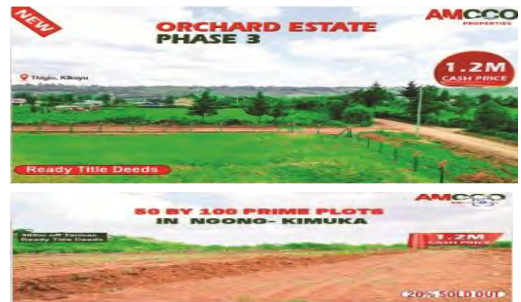

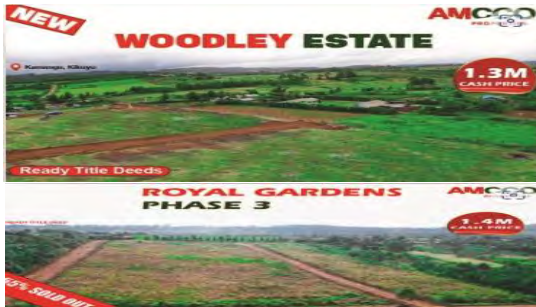

### NAIROBI, KENYA

To create value for all our stakeholders by building strong partnerships based on transparency.

Our vision is to become the preferred partner for millions of Kenyans in property ownership by facilitating property ownership in a transparent and stress-free process.

AMCCO thrives on: Professionalism, Integrity, Customer Focus, and Progressiveness.

The dynamic real estate landscape in Kenya reveals a clear gap, notably in the Property and Housing Market. There is a robust demand for Residential properties necessitating prompt settlement, yet the supply side is constrained, coupled with elevated land prices.

## MESSAGE FROM KNCCI CEO

"Dear Exporters, the Kenya National Chamber of Commerce and Industry (KNCCI) stands as your steadfast partner in navigating the global marketplace. We are committed to reinforcing Kenya's position as a premier trade hub by enhancing infrastructure, fostering innovation, and leveraging the African Continental Free Trade Area (AfCFTA). Through strategic collaborations, awareness campaigns, and advocacy for equitable partnerships, we aim to drive economic diversification and sustainable growth. Our rallying call is 'Growing your business together,' and we are dedicated to providing the necessary support, resources, and networks to help your enterprises thrive internationally. Let's unlock new opportunities, eliminate barriers to trade, and secure a prosperous future for the Kenyan private sector through our dynamic, innovative, and modern trade initiatives. Together, we can make your exports soar and position Kenya as a leader in global trade."
